About Me

I am a current Digital Engineering Student in Thailand and Computer Science Graduate from Myanmar, seeking a internship opportunity to apply my skills to a real working environment with a strong interest. I am a responsible, flexible, adaptable and eager to learn to develop my technical skills while contributing to the team. I am a fast learner and I enjoy learning things, solving problems and taking challenges with with a positive attitude.

WORK EXPERIENCE

Feb 2022 – Jan 2023

AIESEC in Myanmar

Logistics and Delegates Servicing Team Member

- Supported the planning and execution of youth-led events aligned with the UN Sustainable Development Goals (SDGs)
- Managed event logistics and delegate servicing, ensuring smooth coordination and positive participant experiences
- Collaborated with cross-functional teams to deliver well-organized events and handle on-site challenges effectively

Jan 2022 – July 2024

Family Business Assistant / Freelance PC & Camera Reseller

- Assisted with daily business operations, including customer service, buying and selling activities, deliveries, and cash handling.
- Managed basic expense tracking, order coordination, customer communication, and price negotiation.
- Built and resold custom PCs, computer components, and camera equipment, while providing basic after-sales support.
